Activity Risk Assessment – Car Park

ScoutsCymru

Activity	Arrival / Departure	Venue	Car Park - Site
-----------------	----------------------------	--------------	------------------------

Hazard	Who might be harmed	Controls	Revue and revision
Accident between vehicle and person in main car park	Any / all individuals	Speed limit on access road into site – 5 mph.	agreed
Accident between vehicle and group of people in car park	Any / all individuals	Leaders must not keep groups of young people in car park but move them to outside shop / office if waiting for more people to arrive	agreed
Insufficient parking space	Any / all individuals	Vehicles should park sensibly keeping close to other vehicles at the side of them, and making sure they are parking well to the edges leaving sufficient space in the centre for cars to manoeuvre. If car park full, cars to park on access road to site.	agreed
Accident between car park and unloading area	Any / all individuals	Vehicle drivers to exercise extreme care when manoeuvring between these areas, especially when reversing.	agreed

Other controls in place	Groups to organise their own car-park marshalls during very busy arrival/departure times.
